KANSAS CITY, MO (KCTV) - It's going to feel like triple-digit heat this weekend, but four haunted houses are open for shrieks and screams as of Friday.

Ghosts, ghouls and monsters are roaming the houses in hopes of frightening patrons.

Full Moon Production's four haunted houses are in the West Bottoms: the Edge of Hell, the Beast, the Chambers of Edgar Allan Poe and Macabre Cinema. All the proceeds from Chambers and Macabre benefit the Dream Factory, which helps fulfill wishes of children with significant medical issues.

KCTV5 was at the Edge of Hell Friday. Reporter Emily Rittman literally screamed at frights that included an enormous python, a zombie and a rat. Watch the videos to see her terrifying experiences.

After all the crimes that's happened this year along with pedophiles lurking around, I definitely won't go.
