Vote for the EDGE OF HELL in MTV's Scariest Haunted Houses contest!

One of our very own haunted houses in Kansas City is in the running for Scariest Houses on MTV...

Says Amber Arnett-Bequeaith at Full Moon Productions:

"We are in a contest with MTV for the EDGE OF HELL. We need your vote. Please vote and send to all your contacts! Kansas City needs to be put on the map! We can't let St. Louis win!!!

Here is the message Amber got from Matt Thompson at the Clutch Blog of MTV.com:

"Hey there. I'm writing from MTV.com, where we're trying to find the scariest haunted house in the country. Naturally, the Edge of Hell made our preliminary list. You guys are up against four other haunted houses in the Midwest. The winner will go up against winners from the South, East and West next week. Just thought you'd like to know. Feel free to get people to come vote!"

SEND THIS TO EVERYONE YOU KNOW FOR THEIR VOTE!
