## Historic West Bottoms Business District Announced Many Stores to Open Weekends beyond First Friday

**KANSAS CITY, MISSOURI, December 11, 2015** – The Historic West Bottoms 12<sup>th</sup> Street Bridge Business District announced seventeen stores to open Fridays and Saturdays beyond the First Friday Warehouse Weekend, starting this Friday and Saturday. After years of the West Bottoms’ attracting large crowds seeking quality vintage items, antiques, and unique products with a story for the First Friday Weekend each month the demand justified opening all weekends for half of the stores in the district.

“Where else can you find highly stylized uses of all sorts of vintage and antique décor and steps away, inspired clothing, candles and bags?, said Amber Arnett-Bequeaith, spokesperson for the business district. “The multi-story brick buildings, cobblestone streets, and wood floors that reflect a patina only a century can bring, create a more authentic shopping experience. Our customers are seeking something that isn’t mass produced, something that better identifies with their personalities - sometimes that means a restored or polished antique and other times that can be a vintage item repurposed to make something old something special and valued or just something new but not mass produced.”

Stores now opened every weekend include:

Le Fou Flea | Vintage Funk Coffee House & Eatery  
ReDFind  
The Space at 1412  
Studio 1404
